The Management Team expressly reserves the right to change any aspect of all golf Events at any time, including during the Event itself, as it deems necessary for any reason (i.e., Covid-19, government restrictions, weather, playing conditions, etc.) that the Club determines to be in the best interests of the Club, Members and participants. This would include, but not be limited to, changes to Event dates, formats, social aspects, and pricing.

IT IS THE PLAYER'S RESPONSIBILITY TO RSVP FOR ANCALA GOLF EVENTS.

The Management Team awaits the beginning of the upcoming golf season and hopes to see you at Ancala Country Club often throughout the year. We hope you find the Event booklet helpful when planning and scheduling your golf Event participation in the coming year.

2023-24 GOLF RULES & REGULATIONS

The following Golf Rules are in effect for the entire calendar year. Wherever *Member* is referenced in this guide, the definition applies to an Active Golf Member and their family.

After careful consideration of Member concerns submitted to the Management Team, we have instituted a code of conduct for Members, guests, and families to protect both the golf course and those who are on it. The following is a summary of positive, pro-active regulations developed to enhance your enjoyment of the course at Ancala Country Club. Members will be held accountable for violations up to and including, suspension of privileges or termination of membership.

Bag Tags:

Beginning November 1st, all members will be required to have and display an official Ancala member bag tag on their golf bag. This tag will be provided by the club for the 2023/24 season. All members and their family members must have this tag attached to their golf bag to use the practice facilities and be on the golf course. Those members having club storage will have their bag tags attached by the golf staff. All other members must check in with the golf staff to get their tag prior to using the facilities. This tag is required for all members and family members over 12 years of age to use the course and practice facilities.

GOLF RULES – HIGHLIGHTED FOCUS FOR 2023-24

- Bringing outside alcohol on property/course is expressly forbidden.
- No member or guest of a member may take range balls from any practice area for use on the golf course.
- 5-somes may be allowed at the request of the member on the day of play at the sole discretion of the Head Golf Professional.
- Members must put player names into groups at the time of registration. The use of TBD, “X”, etc. will not be allowed.
- Member’s, guests and family must follow the posted, on course cart rules.
- All Ancala golf carts must occupy 2 players (maximum of 2 club carts per group). If a player wishes to take their own cart when there is an available seat in another cart in the group, it is subject to approval by the Golf Professional and will result in paying a \$60 cart fee for both seats.
- All members, guests and family must follow the posted dress code regulations while on property.
 - Dress code is highlighted on page 39 (Collared shirts, closed toe shoes, no denim, etc.)
- Any player on a reservation, where the time of that reservation has passed and did not play at the scheduled time will be subject to a \$50 per person “no show” charge.
- All private golf carts must be registered with the club by November 1st, 2023, in order to be allowed on the property and must display the provided club sticker in the bottom left side of the windshield.
 - This includes signing the Private Cart Agreement and paying the respective trail fee.
- Pace of play should not exceed 4 hours. Players are expected to keep pace with the group in front of them throughout the round. When necessary, a player’s assistant will help groups maintain acceptable pace. The following steps will be taken with groups well out of position.
 - 1st time out of position – The group must improve their pace within 2 holes
 - 2nd time out of position – The group will be asked to skip forward to the position immediately behind the group in front of them
 - 3rd time out of position – The group may be asked to leave the golf course.
- Respect of all fellow club members and staff by members and their guest is always expected. Verbal abuse or worse will be met with a zero-tolerance policy.

TEE TIME RESERVATIONS

- The hours of course play, practice range hours and Golf Shop hours will be posted in the Golf Shop and are subject to change depending on course and weather conditions. The Golf Course Superintendent, in consultation with the Golf Professional, shall determine when the course is playable, and that decision will be final. No course play will be permitted during any period that the course is deemed unfit for play. In addition, when the course is closed, i.e., Mondays, there shall be no Member or Guest play.
- All players must be assigned a starting time through the ForeTees App. Starting times must be reserved through the ForeTees app or by calling the Golf Shop. FULL Golf Members may reserve starting times up to seven (7) days in advance. Members may reserve only one (1) starting time (no more than 4 players) per request.
- All starting times shall be assigned on a first-come, first-served basis, and must be made via ForeTees. The person making the reservation will be responsible for that tee time.
- Players shall check in / register at the Golf Shop or with the starter at least 10 minutes prior to their scheduled tee time.
- The golf course and practice facilities may be reserved for men's or women's play on certain days and during certain hours. Other players will be accommodated during these times on a space available basis only.
- Specific golf course rules and restrictions are applied / published periodically and are available in the Golf Shop.
- A Wait List will be active each day to help alleviate high demand for tee times. This Wait List is included on each day's tee sheet. Members are responsible for names and adjustments.

TEE TIME REGISTRATION:

All members and guests must register in the Golf Shop or with the starter before beginning play. Members are responsible for the payment of all cart and guest fees prior to teeing off. All play starts on Hole #1 unless permission to the contrary is obtained from the Golf Professional Staff.

HANDICAP SCORE POSTING – REVISED 1/1/2022:

- (a) Under the Rules of Handicapping, a Handicap Index will update the day after a score(s) is posted
- a. **Players should submit their scores ASAP (the same day the round was played and before midnight). This ensures the score will be used in the playing conditions calculation.**
- (b) For a player with an established Handicap Index, the max score for each hole is limited to a net double bogey, calculated as follows: **Par of the hole + 2 strokes + Any handicap stroke(s) that the player receives on that hole*** (*or minus any handicap stroke(s) that a plus handicap player gives back on that hole.)
- (c) Event Handicap revision dates will be determined by the Golf Shop.
- (d) A score may only be used for handicap purposes if, the round has been played over at least the minimum number of holes required for either a 9-hole or an 18-hole score to be acceptable, and if the player was in the company of at least one other person, who may also function as a marker. See below.

| # of Holes Played | Scaling up | What score(s) to record for holes not played |
|-------------------|---------------------------|--|
| At least 7 holes | Scale up to 9- hole score | Add net par |
| At least 14 holes | Scale up to 18-hole score | Add net par |

In tournament play, particularly match play, a player may pick up his/her golf ball and not complete the golf hole. In this case, the player should post the score he/she most likely would have made. The most likely score consists of the following:

| Position of the ball | Strokes to be added |
|---|--|
| If the ball lies on the putting green and is no more than 5 feet from the hole: | Add one additional stroke |
| If the ball lies between 5 feet and 20 yards from the hole: | Add 2 or 3 strokes, depending on the position of the ball, difficulty of the green and the ability of the player |
| If the ball lies more than 20 yards from the hole | Add 3 or 4 strokes, depending on the position of the ball, difficulty of the green and the ability of the player |

- (e) The USGA handicap formula may reduce a player's handicap due to exceptional play Rule 5.9. When an exceptional score is posted to a player's scoring record, the handicap index will be reduced in accordance with the following table:

| # of strokes the score differential is lower than a player's handicap index in effect when the round was played | Exceptional scores reduction |
|---|------------------------------|
| 7.0 – 9.9 | -1.0 |
| 10.0 or more | -2.0 |

HANDICAPPING POLICIES & PROCEDURES

The Handicap Committee of ACC is a sub-committee of the Management Team and is responsible for ensuring compliance with the obligations under the World Handicap System (WHS) in accordance with the Rules of Handicapping and the USGA. The WHS expresses two basic premises: 1) each player will try to make the best score at every hole in every round, regardless of where the round is played, and 2) the player will post every acceptable round for peer review.

As a Handicap Committee, we will verify that acceptable scores are posted for handicap purposes and made available for peer review. The Handicap Committee may also perform random score audits and review members scoring records at least annually. In addition, the Handicap Committee provides guidance to club officials and other club Committees to establish the Terms of Competition for all applicable events at the club and to ensure players consistently have the ability to use their Handicap Index to compete, or play a recreational round, with anyone else on a fair and equal basis.

The Handicap Committee enforces these policies & procedures for all members wishing to maintain a Handicap Index with ACC:

- Maintain an active membership on the handicap roster of the club.
- Post all acceptable scores, including 9-hole rounds.
- Scores are to be posted within the same day of the round being played.
- Where applicable, proper adjustments must be applied to all scores for posting purposes, including net double bogey and most likely score.
- Each player will try to make the best score at every hole in every round, regardless of where the round is played.

What is an Acceptable Score?

- If 14 or more holes are played in an 18-hole round.
- If 7 holes are played on a rated 9-holes.
- Scores made in match play, stroke play and team competitions.
- Scores made under Rule 3.2 when a hole is not played.
- Scores made under Rule 3.3 when a player does not hole out.
- Scores made if a player is disqualified from a competition but has an acceptable score.
- Scores made when played under USGA Rules.
- Scores made when played on a course during its active season.
- Scores made in the company of at least one other person who can also function as a marker.

All acceptable scores are to be posted within the same day of play using one of the following methods:

- **Score posting kiosk in Golf Shop / Mobile app / AGA site / Returned to Golf Shop for posting**

A player must earn a Handicap Index. No player has an inherent right to a Handicap Index without demonstrating ability to the Handicap Committee. The Handicap Committee has the authority and obligation to adjust a Handicap Index if it feels it is necessary. The Handicap Committee has the responsibility of making certain that each player has a Handicap Index that reflects a player's potential ability.

Under the following circumstances, it may be necessary for the Handicap Committee to adjust a player's Handicap Index. However, the following list is not all-inclusive. The Handicap Committee has the final authority to adjust a Handicap Index under any circumstance it deems necessary. Before an adjustment becomes effective, the Committee will give the player an opportunity to explain the circumstances surrounding the adjustment. When an adjustment goes into effect, it will be identified with the letter M, indicating a modified Handicap Index.

- **Improving Faster Than the System Can React**
A player new to the game may improve too rapidly for a Handicap Index calculated by the standard procedure to reflect potential ability (i.e., a player who is practicing often or taking playing lessons may not have a scoring record that reflects their potential ability and may need an adjustment).
- **Numerous Away Scores Change Index**
If a player's Handicap Index increases by 3.0 or more due to the posting of numerous away scores, and subsequent scores at ACC clearly indicate that the increased Index is too high, the Handicap Committee will adjust the player's Handicap Index downward.
- **Temporary Disability**
An increase in a Handicap Index will not be granted because a player's game is temporarily off, or the player has discontinued play. However, an increased handicap may be given for a temporary disability. Their Handicap Index will be identified by the letter M, showing it was modified.

- Player Manipulates Round

Examples of manipulating scores include the following:

- a) Posting erroneous information to the scoring record.
- b) Stopping play prior to 7 or 14 holes to avoid posting scores.
- c) Repeatedly playing more than one ball to avoid posting scores.
- d) Not adjusting hole scores under The World Handicap System (i.e., failing to adjust to a net double bogey score on each hole before posting).
- e) Deliberately reporting more strokes than taken.
- f) Deliberately taking extra strokes to inflate a score.
- g) Not posting or not posting score in a timely manner.

What are the possible Disciplinary Actions possible for failure to post or a player manipulating their Handicap Index?

The Handicap Committee *expressly reserves the right to impose any disciplinary actions it deems fair and equitable*, depending on the severity, context, and circumstances of the infraction. If a player is found to have violated the spirit and intent of the UGGA/WHS handicap guidelines and rules, The Handicap Committee has the sole and independent authority to impose **any** sanction, including but not limited to: a verbal warning; a written warning; imposition of a penalty score and modification of a player's handicap (i.e., modify to the player's 12 month low Handicap Index). In addition, the Committee may, at its sole discretion, impose a sanction/penalty on those who are repeat offenders or repeat non-compliant players.

For illustration purpose only and without establishing a requirement, the following are examples of how potential infractions may be handled:

- 1) First failure to post or potential manipulation of a score will (at a minimum) result in a verbal warning.
- 2) Second failure will (at a minimum) result in a written warning.
- 3) Third failure will (at a minimum) result in the appropriate penalty score issued for scores not posted.
- 4) After a fourth failure to post a score or continued manipulation of the scoring record, further disciplinary action will be taken as the Handicap Committee deems fair and equitable.

**** The Head Golf Professional or Assistant Golf Professional can issue verbal warning(s) or written warning(s) to any member for failure to timely post his/her scores as required, without the formal inquiry process below****

Formal Handicap or Golf Related Inquiry Process

All formal handicap or other golf related infraction inquiries regarding any members (or guests) must adhere to the following requirements and procedures (with explanation as noted above):

- 1) The inquiry must be in writing (verbal inquiries are not accepted) and at a minimum include:
 - a. The alleged infraction(s), all necessary information to investigate said inquiry (i.e., member at issue, dates, times, etc.) and all documentation in support of said inquiry.
 - b. The identity of the person making the inquiry (this will be kept confidential, but no anonymous inquiries will be accepted).
 - c. All of the above must be hand delivered and/or emailed to Head Golf Professional Stewart Koch. skoch@ancalacc.com
- 2) If an inquiry meets all the minimum requirements of Section 1, the Head Golf Professional shall timely send the inquiry and supporting documentation to the management Team for investigation and review.

- 3) The Handicap Committee will provide the member in question with a summary of the inquiry and, before taking any action, the member will be invited to respond to the Handicap Committee either in writing or by appearing in person before the Committee. Said summary and invitation shall be emailed to the member at his/her email address on file with ACC.
- 4) The Handicap Committee will provide written notice to the affected member of its decision and penalty, if any, no later than thirty (30) days after the initial written formal inquiry was received by the Head Golf Professional pursuant to Section 1. Said written notice shall be emailed to the member at his/her email address on file with ACC. All rulings will be at the discretion of the Handicap Committee. The decision of the Handicap Committee is final unless the penalty includes a suspension of play.
- 5) If the penalty includes a suspension of play, the member shall have fifteen (15) days after receipt of said decision to make a written request for a review hearing before the Club Manager and the full Management Team. The Review hearing will be conducted within thirty (30) days from the date the member's request for hearing is made. Until the review hearing is held, the decision of the Handicap Committee shall stand. Following the review hearing, the decision of the Club Manager and the Management Team shall be final and binding.

Please direct any questions or concerns to the Head Golf Professional.

If a tie remains, the winner will be determined based on the last six holes, the last three holes, and finally the 18th hole if necessary. - (p) There are times when emergencies arise during play and the immediate need of a flag exists. The Golf Professional Staff will make this determination and coordinate with the Golf Maintenance Staff.

Pace of Play

- (a) All players are to maintain a reasonable pace of play. Specifically,
 - a. An 18-hole round of golf should be completed in no more than 4 hours, or no more than 10 minutes behind the preceding group if the pace is longer than the specified 4 hours.
 - b. Players are encouraged to play "ready golf". If feasible, twosomes should join to form a foursome. The goal is to maintain pace with the group in front, not staying ahead of the group behind. Pace of play is a matter of golf etiquette and courtesy to other Members.
- (b) The Golf Professional Staff will have discretion to use their judgment and experience to administer to policy, taking into consideration conditions and situations.
- (c) If your group is off pace and out of position, the Golf Staff has the right to inform the group and ask them to speed up. Your group may be asked to let players play through or be instructed to pick up their balls and proceed to the next tee after two warnings, no questions asked.

PACE OF PLAY & TIPS ON PLAYING FASTER

Ancala Country Club is making a major effort to combat golf's greatest problem – SLOW PLAY. We believe that a round of golf should take no longer than four hours to complete.

- Play ready golf at all times.
- Be aware of your handicap and the maximum number of strokes you can take on a hole.
- Arrive at the first tee 5 minutes prior to your tee time.
- Always keep pace with the group **in front** of you.

ALL PLAYERS MUST LEAVE THE COURSE, PUTTING GREEN, AND RANGE WHEN THIS HORN SOUNDS AND ARE NOT PERMITTED TO RETURN TO THE COURSE, PUTTING GREEN, OR RANGE UNTIL THE GOLF PROFESSIONAL STAFF NOTIFIES THE PLAYERS THAT THEY MAY RESUME PLAY

Junior Play:

It is the intent of the policy to balance 2 objectives:

1. Provide an opportunity for young men and women to learn, play and enjoy the great game of golf. And:
2. Ensure that adult members have significant and appropriate access to the golf course and practice range.

No child under twelve (12) years of age is permitted to play the golf course unless accompanied by an adult, member parent or guardian. Children under six (6) years of age are not permitted on the course at any time. Golf play by junior golfers may be restricted to designated hours. Such hours may vary depending on the season, and will be clearly posted by the golf shop. Adults have priority over juniors at all times with regard to course availability, with the exception of Club Management sponsored junior golf events / programs.

Hole-in-One Club:

- All Full Golf, Limited Golf, Sports and Social Golf Members of Ancala Country Club are part of the Hole-in One Club.
- If a member or spouse of a member makes an “official” hole-in-one (see below), they will collect \$2.00 from all Full Golf members. The funds will cover the cost of a hole-in-one plaque, \$200 in golf shop credit, and a credit towards the member’s annual spending minimum.
- Hole-in-One Rules:
 - **An “official” hole-in-one must:**
 - Be made at Ancala Country Club.
 - Be made during a “postable” round of golf (at least 7 holes completed), or during a scheduled club sponsored event.
 - Be witnessed by at least one person 18 years of age or older.
 - **A hole-in-one is NOT “official” if:**
 - If it is made on a mulligan or during a multi-shot event.
 - If it is made on a green with multiple holes/cups.
 - If it is made on a hole using a temporary green or tee.

USGA RULES GOVERN ALL PLAY

LOCAL RULES:

- **OUT OF BOUNDS:** Defined by the inside edges at ground level by street curbing, fences, masonry walls and white stakes: a ball crossing a street and coming to rest on another part of the course is considered out of bounds. A ball is out of bounds when all of it lies out of bounds. (See Rule 18.2 A & B)
- **PENALTY AREAS:** Defined by Yellow or Red lines and/or stakes. (See Rule 17.1 D) Exception on Holes 9 and 18 – The margin of the Penalty Areas will be the outside edge of the concrete/boulders. If the outside edge of the concrete/boulders interfere with your stance or swing, you are entitled to free relief under the Immovable Obstruction ruling. (See Rule 16-1) Note – This exception does not apply to Hole 18 greenside bunker.
- **ABNORMAL COURSE CONDITIONS:** Cart paths, walking paths, drainage pipes, wooden steps, electrical boxes, that are not in Penalty Areas, and the rock wall on the left-hand side of Hole 7 are considered immovable obstructions and the player is entitled to free relief. Nearest point of relief, no closer to the hole, drop within one club length. (See Rule 16.1)
- **HOLE 9 CART PATH:** If your ball comes to rest in between the purple stakes (right of the cart path), you are entitled to drop the ball within one club length on the grass side of the path no closer to the hole without penalty.
- **RELIEF AREAS ON ALL PAR 3's AND HOLE 13:** In addition to Red Penalty Area options (Rule 17-1), a player is also entitled to use the designated relief areas. The relief areas on all Par 3's and Hole 13 are on the Silver tee box. The entire tee box is the relief area. (See Rule 14-3)

SPECIAL NOTES

- **PACE OF PLAY:** Please adhere to these Pace of Play guidelines. Ancala Country Club Pace of Play is two hours or less for nine holes, four hours or less for eighteen holes. Please allow faster players to play through.
- **COURSE CARE:** As a courtesy to your fellow players, please fill in all divots with divot mix, repair all ball marks on the putting surfaces and rake all bunkers.
- **ALL GOLFERS:** You are responsible for any injury to people or damage to property caused by your actions, including errant golf shots.

GOLF'S NEW RULES: STROKE AND DISTANCE

A new Local Rule provides an alternative to stroke-and-distance relief for a ball that is lost outside a penalty area or out of bounds, effective January 1, 2019.

BALL OUT OF BOUNDS

LOST BALL

If the Local Rule is in effect, you can still take stroke-and-distance relief, but you now have the following additional option that comes with a penalty of two strokes:

A DETERMINE SPOT where your ball went out of bounds (left diagram) or is likely to be lost (right diagram).

B FIND NEAREST FAIRWAY EDGE no closer to the hole.

C DROP YOUR BALL IN SHADED AREA as defined on one side by a line from the hole through point A and on the other side by a line from the hole through point B, and not nearer the hole. The relief area is extended on both sides by two club-lengths.

This Local Rule is not intended for higher levels of play, such as professional or elite amateur level competitions.
